Solitude, for Powys, is the only way in which we can maintain our dignity in a world out of balance. It is only through withdrawal from society and its follies, its grim demand to keep on smiling in spite of the constant horrors of modern life, that we can reach a state of enjoyment of our own miraculous consciousness.

And this is the philosophy of solitude that Powys sets out of construct. To Powys, solitude is the necessary social, psychological, and intellectual state of the individual. It is social in pulling away from the life and tumult of the crowd (Powys lived for decades in New York City, finally moving to a small town in upper-state New York before returning to Wales a few short years after this book's publication).

The solitude here is that of an individual whose mind is already relaxed. No matter how rare the aesthetic realm of solitude is in practice, it occupies a special hold in the popular imagination today. This is because the aesthetic quality of literary accounts of this solitude has settled on an idyllic image of solitary life in nature.
