Basic Acrylic Instruction—Amazing Results! This resource is packed with the best of Lee Hammond's lessons and tips on working with acrylics, including more than 80 step-by-step exercises and demonstrations that will have you creating amazing paintings in no time flat. Success is easy—just follow along with Lee! With just seven to nine pigments, you can paint anything. You'll learn how to add layers and details, one stroke at a time. Along the way, Lee's friendly encouragement and quick tips will help you work past what she calls "the awkward stage," so you can complete your paintings with confidence. In addition to detailed information on selecting materials and mixing colors, you'll also get complete visual instruction for painting subjects of all kinds, including:

- **Still Life:** Get proper proportions every time, using easy graphing techniques. You'll also find demonstrations for painting the tricky parts, such as glossy textures and reflective surfaces.
- **Landscapes:** Lee shares proven tips for creating depth and realism in subjects ranging from forests and mountains to prairies and seascapes. She also shows how to paint realistic clouds, trees, water and more.
- **Animals:** This chapter provides step-by-step guidance for painting all your favorite creatures. There's even extra instruction for getting the eyes, noses, fur and feathers just right.
- **People:** Painting people can be especially challenging, but success is easy with basic steps and practical guidance. One feature at a time, you'll learn simple techniques for painting faces of all kinds—male or female, young or old. You'll also find in-depth guidance for creating realistic fleshtones, eye color, hair and more.

This is a complete acrylic painting course right on your bookshelf. Follow along from beginning to end or refer to this guide when you need a quick lesson. Either way, after learning from a master like Lee Hammond, you won't be a beginner for long. Get started today!

Painting is one of the most rewarding ways of expressing yourself. It sparks creativity, engages the imagination and relaxes you, reducing stress levels and leaving you feeling mentally clear and calm. Most people assume that the ability to paint is a skill you either have or you don't, so although they would like to paint they lack the confidence to do so. But painting can be readily learned with the right teacher to guide you, and a clear approach and encouraging voice are often all that's needed to get you on the right track. That's where this book, *Acrylics*, comes in. Adrian Burrows is an enthusiastic and accomplished artist and teacher who explains the fundamentals of painting with acrylics in a helpful and accessible manner. Adrian shows you what you need in terms of tools and materials, and explains and illustrates all the basic techniques. Ten step-by-step tutorials, covering a variety of subjects, then put these techniques into action. Each tutorial is broken down into stages, with clear instructions and photographs for readers to follow, plus plenty of helpful tips and troubleshooting advice. There are also special features on painting trees, skies and figures.

Now is the time to pursue creative fulfillment! Annie O'Brien Gonzales felt a passion for art from an early age. But not until 30 years later--after raising a family and working "a real job"--did she get serious about painting. Along the way, she experienced the pleasures and the pitfalls of learning to paint. In these pages, she channels it all to help others discover (or re-discover) *The Joy of Acrylic Painting*. This guide offers an engaging, streamlined approach for any beginner, but especially those who--due to life detours or lack of time--had previously postponed their artistic aspirations. In a fun, instantly gratifying style, Gonzales combines the forgiveness of acrylics with the approachability of expressive painting. With special emphasis on the elements of color, pattern and texture, these lessons give you a jump-start on painting with feeling. If now is your time to pursue creative fulfillment, then this is the book to ease your way. • Strategies for gathering resonant ideas and inspiration • Practical advice, such as when to splurge and where to save on painting supplies • Mixed-media techniques for creating character in your paintings • Inspiration from Expressionist masters, including ways to use their work as a jumping-off point for your own original paintings • PLUS 8 fabulous start-to-finish painting projects--landscapes, still life, figures and abstracts
