Being-with-others is an essential structure, restricted to the
dimension of possibility; but in the process of actualization it
assumes an existential structure through which we actively
participate in the world with others.

Quotes from Alone with Others... " Patience is the specific
antidote to anger and hatred. It is an attitude of accepting
both the harm caused by others and the pains and
discomforts found in life instead of angrily retaliating against
them.

Alone with Others Quotes by Stephen Batchelor

Loneliness is an unpleasant emotional response to perceived isolation. Loneliness is also described as social pain—a psychological mechanism which motivates individuals to seek social connections. It is often associated with an unwanted lack of connection and intimacy. Loneliness overlaps and yet is distinct from solitude. Solitude is simply the state of being apart from others; not everyone ...
