She has meticulously

planned out a 24-hour adventure in homage to *Breakfast at Tiffany's*; however, her plans are derailed when a glamorous boy sweeps in and offers her the New York experience she's always dreamed of. Gemma soon learns who her true friends are and that, sometimes, no matter where you go, you just end up finding yourself. Filled with hip and sparkling prose, *Oh Yeah, Audrey!* is as much a story of friendship as it is a love letter to New York, Audrey Hepburn, and the character she made famous: Holly Golightly.

Are you or someone you know an Audrey Hepburn fan? This great notebook journal features a digital art portrait of her from her famous film *'Breakfast at Tiffany's'* where she played Holly Golightly. It was definitely a memorable classic movie. This fun little journal featuring the actress is great for writing notes, thoughts, phone number or shopping lists, creating poems, keeping as a diary or planner, getting co-ordinated or a hundred other uses. It has a beautiful flowered glossy cover and is just the right size (6" x 9") for throwing into a briefcase, bag or backpack to take with you anywhere. It has blank lined pages with a fun film and camera header on each page. If you are an Audrey Hepburn fan, this journal is a must. It also makes a great gift for other classic movie buffs.

With her tousled blond hair and upturned nose, dark glasses and chic black dresses, she is top notch in style and a sensation wherever she goes. Her brownstone apartment vibrates with Martini-soaked parties as she plays hostess to millionaires and gangsters alike. Yet Holly never loses sight of her ultimate goal - to find a real life place like *Tiffany's* that makes her feel at home. Immortalized in a film starring Audrey Hepburn, Truman Capote's *Breakfast at Tiffany's* is full of sharp wit and in its exuberant cast of characters vividly captures the restless, madcap era of early 1940s New York. This edition also contains
