Now you can learn corporate finance your way with Besley/Brigham's popular CFIN7 from 4LTR Press. CFIN7 features a reader-friendly, affordable printed book with on-the-go tear-out study tools. It's a solution based on extensive research into learning preferences, guided by input from today's learners, like you. This easy-reference, paperback book introduces corporate finance today with concise, visually driven chapters that use straightforward language and meaningful examples. The authors emphasize applications of concepts rather than formulas to make it easy to understand important finance principles. Updates discuss trends and changes as recent as the impact of COVID-19 pandemic, while new spreadsheet problems and expanded practice opportunities ensure you understand what you've read. Tear-Out Chapter Review Cards highlight key points, making review particularly simple, even when on-the-go. CFIN7 provides everything you need for success in understanding corporate finance, all in one place. This supplement outlines the key sections of each chapter, provides students with self-test questions, and also provides a set of problems and solutions similar to those in the text, and in the Test Bank. Because many instructors use multiple-choice exams, we include exam-type questions and problems in the Study Guide.

Gain a focused understanding of today's corporate finance and financial management with the market-leading approach in Brigham/Houston's **FUNDAMENTALS OF FINANCIAL MANAGEMENT, CONCISE EDITION, 8E**. This book's unique balance of clear concepts, contemporary theory, and practical applications helps readers better understand the concepts and reasons behind corporate budgeting, financing, and working capital decision making. Numerous practical examples, proven end-of-chapter applications, and Integrated Cases demonstrate theory in action, while Excel Spreadsheet Models help readers master this software tool. It's a book designed to put each reader first in finance. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
