manager can follow with success. The book is peppered with more than 1200 power tips in a compartmentalized approach to management that will benefit even the most seasoned veteran with its comprehensive content and accessible point-of-view. An understanding of what makes people perform and how to solve problems that affect performance in the workplace is key to exceptional management technique. All readers will benefit from this book's priceless advice on subjects as diverse as greeting overseas business contacts, setting an agenda for a meeting, taking minutes, reorganizing the layout of an office, and holding a brainstorming session. Fully recognizing that "cookie cutter" solutions simply don't work in today's complex professional world, Heller and Hindle offer options for each topic, allowing the reader to explore them through flowcharts and diagrams. In addition, self-evaluation forms help each individual reader assess their innate ability in each area, in order to focus their energies as they utilize the book. Well-chosen photographs illustrate situations and bring advice to life by demonstrating the personality types and situations described and ensuring that each lesson "clicks" for the reader, guaranteeing results after just one brisk reading.

Presents techniques showing how to target customers, identify their needs, effectively present a product, and win sales.

The four new guides in this best-selling series are ideal for managers at every level. These compact references -- the most accessible single-subject business guides on the market -- demonstrate techniques and skills useful in any work environment.

Learn all you need to know about adapting to change, from initiating modifications to responding positively to them. Managing Change enables you to understand and plan for change to achieve the best results, plus it provides practical techniques for you to try in different settings. Power tips help you handle real-life situations and
