CHERUB agents are all seventeen and under. They wear skate tees and hemp, and look like regular kids. But they're not. They are trained professionals who are sent out on missions to spy on terrorists and international drug dealers. CHERUB agents hack into computers, bug entire houses, and download crucial documents. It is a highly dangerous job. For their safety, these agents DO NOT EXIST. Leona is a small-time crook with big money. When the cops call in CHERUB, James's mission looks entirely routine: make nice with Leon's kids, dig up some leads, and infiltrate his home. But when James suddenly unravels a much larger plot, the mission becomes anything but ordinary. Unfortunately, the only person who might know the truth is a reclusive eighteen-year-old boy -- who happens to have died more than a year ago.

When James is given the mission of digging up leads on Leon, a small-time crook with big money, James unravels a larger plot than expected with the only person who might know the truth being a deceased eighteen-year-old boy.

Teen special agents James and Lauren travel to the US in the tenth book of the CHERUB series, which Rick Riordan says has "plenty of action." CHERUB agents are highly trained, extremely talented—and all under the age of seventeen. For official purposes, these agents do not exist. They are sent out on missions to spy on terrorists, hack into crucial documents, and gather intel on global threats—all without gadgets or weapons. It is an extremely dangerous job, but these agents have one crucial advantage: Adults never suspect that teens are spying on them. In *The General*, James and Lauren travel to America to help train the army. And while they're there, they get into a little trouble in Las Vegas. What happens in Vegas, stays in Vegas...right?

Teen special agents investigate a deadly plane crash in the ninth book of the CHERUB series, which Rick Riordan says has “plenty of action.” CHERUB agents are highly trained, extremely talented—and all under the age of seventeen. For official purposes, these agents do not exist. They are sent out on missions to spy on terrorists, hack into crucial documents, and gather intel on global threats—all without gadgets or weapons. It is an extremely dangerous job, but these agents have one crucial advantage: Adults never suspect that teens are spying on them. In *The Sleepwalker*, a commercial plane explodes over the Atlantic Ocean leaving 345 people dead. Crash investigators suspect terrorism, but they aren’t getting anywhere. But when a distressed twelve-year-old calls a police hotline and blames his father for the explosion, James Adams and his sister Lauren are assigned to befriend the boy to find out the shocking truth...

CHERUB exists for the simplest of reasons: even a master criminal doesn't suspect that the kid next door is a spy. When CHERUB uncovers a link between eco-terrorist group Help Earth and a wealthy religious cult known as The Survivors, James Adams is sent to Australia on an infiltration mission. It's his toughest job so far. The Survivors' outback headquarters are completely isolated, and the cult's brainwashing techniques mean James is under massive pressure to conform. This time he's not just fighting terrorists. He's got to battle to keep control of his own mind. For official purposes, these children do not exist.

When a new radical animal protection group argues that it is right to kill or threaten one human in order to save the lives of many animals, James and the other agents must try to stop the group from completing a violent mission.

They are trained professionals who are sent out on missions to spy on terrorists and international drug dealers. CHERUB agents hack into computers, bug entire houses, and download crucial documents. It is a highly dangerous job. For their safety, these agents DO NOT EXIST. Two hundred eighty child criminals live in the sunbaked desert prison Arizona Max. One of them is the son of a weapons dealer who has been selling U.S. missiles to terrorists. If CHERUB can get the kid, they can get the parent. Over the years, CHERUB has put plenty of criminals behind bars. Now, for the first time ever, they've got to break one out...
