[Siren Publishing: The Stormy Glenn ManLove Collection: Erotic Romance, Contemporary, Alternative, Romantic Suspense, MM, HEA] Lany - I'd always thought that there were times in life when clarity suddenly hit a person and you realized that life was one mess after another. This was one of those times, and it was a mess of epic proportions. At least it wasn't my fault this time. No, seriously, it wasn't my fault. Stop laughing! Salvador - Lany was a mess and everyone knew it, but when weird things start happening, he seems to be the only one who can connect the clues and give us a suspect to go after. When danger comes a little too close to home, he also might be the only one who can save us. I knew the apocalypse would happen at some point. I just never expected it so soon. One family is fated to bring about this amazing destiny. One man puts it all in motion, the day he crashes onto the wolf-planet of Tumaro and meets his mate. Talon Versuthion always knew that some kind of way, life was going to screw him over. His parents died when he was just a boy and he can't remember a thing about them. He was adopted by a great family only to have them tell him that he is a Vermithian, one of the most despised humanoid species. Even worse than that? And there are people out there who will stop at nothing to make sure that never happens. No matter what. While on a delivery for the GPA with his adopted sister Josie, however, Tal's space shuttle crashes onto Tumaro, the notorious wolf-shifter planet. Tal is lucky to be alive, though Josie can't be found. He is desperate to find her, but destiny steps in and history is changed forever. Because the Alpha King of the planet, Blaze!! Roughshire, is Talon's mate. And before the two men can even settle into their new relationship they must deal with conspiracy, murder, kidnapping and a centuries old plot to completely eradicate the human race. Will Blaze be able to keep his mate safe from those who would see him dead? Is Tal truly the only one left from his family who can fulfill this centuries old prophecy? And can Tal, who has made it a point to never fall in love with anyone, open his heart and let Blaze be Passion's hero?
