The author of The Relaxation Response describes a state of heightened physical and mental function often experienced by professional athletes, explaining how to achieve such a state in order to improve productivity and reduce anxiety and depression levels. Reprint. 50,000 first printing.

Newly updated to include information for the UK, The Carrot Principle illustrates how ordinary organizations have made themselves extraordinary through the use of strategic employee recognition. The authors show how great organizations and great managers succeed through living the Carrot Principle. Featuring case studies of effective recognition in some of the world's most successful organizations, such as DHL, Avis, Pepsi, etc and demonstrating how recognition has led to improved employee commitment and bottom line results in these companies, the book also shows how a Carrot Culture is not created by the CEO, senior leadership team or HR department, but manager by manager. The book provides examples of leaders - from around the globe - who lead through the Carrot Principle: providing plentiful how-to's for managers wishing to get started or hoping to enhance their recognition abilities. Overall, there has never been a book in the recognition or motivation space that has had this type of quantitative or case study support.

Make Your Novel Stand Out from the Crowd! Noted literary agent and author Donald Maass has done it again! His previous book, Writing the Breakout Novel, offered novelists of all skill levels and genres insider advice on how to make their books rise above the competition and succeed in a crowded marketplace. Now, building on the success of its predecessor, Writing the Breakout Novel Workbook calls that success into action! This powerful book presents the patented techniques and writing exercises from Maass's popular writing workshops to offer novelists first-class instruction and practical guidance. You'll learn to develop and strengthen aspects of your prose with sections on: • Building plot layers • Creating inner conflict • Strengthening voice and point of view • Discovering and heightening larger-than-life character qualities • Strengthening theme • And much more! Maass also carefully dissects examples from real-life breakout novels so you'll learn how to read and analyze fiction like a writer. With authoritative instruction and hands-on workbook exercises, Writing the Breakout Novel Workbook is one of the most accessible novel-writing guides available. Set your work-in progress apart from the competition and write your own breakout novel today!

• More than 500 appearances on national bestseller lists • #1 Wall Street Journal, New York Times, and USA Today • Won 12 book awards • Translated into 35 languages • Voted Top 100 Business Book of All Time on Goodreads People are using this simple, powerful concept to focus on what matters most in their personal and work lives. Companies are helping their employees be more productive with study groups, training, and coaching. Sales teams are boosting sales. Churches are conducting classes and recommending for their members. By focusing their energy on one thing at a time people are living more rewarding lives by building their careers, strengthening their finances, losing weight and getting in shape, deepening their faith, and nurturing stronger marriages and personal relationships. YOU WANT LESS. You want fewer distractions and less on your plate. The daily barrage of e-mails, texts, tweets, messages, and meetings distract you and stress you out. The simultaneous demands of work and family are taking a toll. And what's the cost? Second-rate work, missed deadlines, smaller paychecks, fewer promotions--and lots of stress. AND YOU WANT MORE. You want more productivity from your work. More income for a better lifestyle. You want more satisfaction from life, and more time for yourself, your family, and your friends. NOW YOU CAN HAVE BOTH - LESS AND MORE. In The ONE Thing, you'll learn to • cut through the clutter • achieve better results in less time • build momentum toward your goal• dial down the stress • overcome that overwhelmed feeling • revive your energy • stay on track • master what matters to you The ONE Thing delivers extraordinary results in every area of your life--work, personal, family, and spiritual. WHAT'S YOUR ONE THING?

Belong to the online community after reading The Principles of Netiquette (Second Edition). Learn inside information about Social Media engagement. Do not miss out on the safety guidelines. Achieve popularity as an influencer. Each chapter contains: -Rules -Guidelines -Explanations The knowledge in this book is taught in primary, middle, and secondary school in South Korea. Some of the rules are law in China. Colleges in the US teach some of the marketing techniques, but everything is explained simply. There are no tricks.

"Do you need to produce clear reports, papers, analyses, presentations and memos? If so, you need The Pyramid Principle. Communicating your ideas concisely and articulately to clients, colleagues or to the management board is a key factor in determining your personal business success. Happy trading!

The definitive playbook by the pioneers of Growth Hacking, one of the hottest business methodologies in Silicon Valley and beyond. It seems hard to believe today, but there was a time when Airbnb was the best-kept secret of travel hackers and couch surfers, Pinterest was a niche web site frequented only by bakers and crafters, LinkedIn was an exclusive network for C-suite executives and top-level recruiters, Facebook was MySpace's sorry step-brother, and Uber was a scrappy upstart that didn't stand a chance against the Goliath that was New York City Yellow Cabs. So how did these companies grow from these humble beginnings into the powerhouses they are today? Contrary to popular belief, they didn't explode to massive worldwide popularity simply by building a great product then crossing their fingers and hoping it would catch on. There was a studied, carefully implemented methodology behind these companies' extraordinary rise. That methodology is called Growth Hacking, and it's practitioners include not just today's hottest start-ups, but also companies like IBM, Walmart, and Microsoft as well as the millions of entrepreneurs, marketers, managers and executives who make up the community of Growth Hackers. Think of the Growth Hacking methodology as doing for market-share growth what Lean Start-Up did for product development, and Scrum did for productivity. It involves cross-functional teams and rapid-tempo testing and iteration that focuses customers: attaining them, retaining them, engaging them, and motivating them to come back and buy more. An accessible and practical toolkit that teams and companies in all industries can use to increase their customer base and market share, this book walks readers through the process of creating and executing their own custom-made growth hacking strategy. It is a must read for any marketer, entrepreneur, innovator or manager looking to replace wasteful big bets and "spaghetti-on-the-wall" approaches with more consistent, replicable, cost-effective, and data-driven results.

The development of online learning environments has enhanced the availability of educational opportunities for students. By implementing effective curriculum strategies, this ensures proper quality and instruction in online settings. The Handbook of Research on Writing and Composing in the Age of MOOCs is a critical reference source that overviews the current state of larger scale online courses and the latest competencies for teaching writing online. Featuring comprehensive coverage across a range of perspectives on teaching in virtual classrooms, such as MOOC delivery models, digital participation, and user-centered instructional design, this book is ideal for educators, professionals, practitioners, academics, and researchers interested in the latest material on writing and composition strategies for online classrooms.
