Templer's Shadow and Wind is a bit dated, but fascinating view of Vietnam up to 10 years ago when it was beginning to shed the shackles of 30+ years of disastrous socialism and single-party control. Most of the population is now a younger generation (born after 1975) who have come of age at a time when they can embrace some free-market reforms, and take advantage of personal choices and a growing economy.

And. In Shadows and Wind, Robert Templer paints a fascinating and fresh picture of a country usually viewed with hazy nostalgia or deep suspicion. Here is Hanoi, an increasingly tense and troubled city approaching its millennium but uncertain of its direction. Here are people emerging from a long wilderness of malnutrition, discovering a new lifestyle of leisure and luxury.

Shadows and Wind attempts at a comprehensive view of post-war Vietnam, exploring its political, social, and cultural landscapes. The intent is obvious, but the outcome is not so convincing. I picked this book up to prepare for my trip there next week as I wanted something that was not about the war, and the book being one of only a handful of such available in English, I gave it a go.
