You see, nothing is more powerful than getting interviewed in the media as an Expert. After I wrote my first book, as a Published Author, it became easy to get media interviews.

The Power of Writing

The Power of Three When I was at the TCRWP's Writing Institute a couple of weeks ago, there was a buzz about the power of three. Funny how I've been in and around lots of writing-related professional development in the past five years and have never heard anything about the power of three until mid-August.

The Power of Three – TWO WRITING TEACHERS

According to cognitive psychologist Ronald Kellogg, too, writing isn't just a window into the mind. It's a tool that both expresses and shapes your thoughts. In The Psychology of Writing, he explains that thinking and writing are "twins of mental life." And writing is the more challenging, involved twin, because "[w]riting not only demands thinking, it is also a means for thinking."

Writing is Power: Supercharge Your Writing Process

Donald Trump knows the power of writing — if not reading. The US president has shown us you should never judge a book by the cover-up. Henry Mance Add to myFT.

Donald Trump knows the power of writing — if not reading ...

The Power of Writing: Dartmouth '66 in the Twenty-First Century argues that any discussion of why writing well matters should extend beyond composition and rhetoric scholars to capture the knowledge that outstanding teachers and writers themselves put to work every day.
