From the team that brought you The Obstacle Is the Way and Ego Is the Enemy, a beautiful daily devotional of Stoic meditations:an instant Wall Street Journal and USA Today Bestseller. Why have history's greatest minds—from George Washington to Frederick the Great to Ralph Waldo Emerson, along with today's top performers from Super Bowl-winning football coaches to CEOs and celebrities—embraced the wisdom of the ancient Stoics? Because they realize that the most valuable wisdom is timeless and that philosophy is for living a better life, not a classroom exercise. The Daily Stoic offers 366 days of Stoic insights and exercises, featuring all-new translations from the Emperor Marcus Aurelius, the playwright Seneca, or slave-turned-philosopher Epictetus, as well as lesser-known luminaries like Zeno, Cleanthes, and Musonius Rufus. Every day of the year you'll find one of their pithy, powerful quotations, as well as historical anecdotes, provocative commentary, and a helpful glossary of Greek terms. By following these teachings over the course of a year (and, indeed, for years to come) you'll find the serenity, self-knowledge, and resilience you need to live well.

We live in uncertain, even dangerous times. If we were ships, we'd be traveling in rough waters and dense fog. Without a navigation system, we'd soon be sunk - literally. We need to know where and how to navigate to keep ourselves safe as we pursue our individual life journeys. Wisdom for Living is an invaluable resource and guide for strengthening, developing, and accessing your own inherent wisdom nature. Each of us comes hard-wired with the equipment needed to navigate the rough waters of life. This equipment is our intuition or gut feelings, available to all. Yet like the GPS in a car or phone, we need to learn to access, use, and trust it. These short essays suggest how you can find wisdom in a variety of people, places, and things. You are encouraged to keep a wisdom journal (WJ) in which you respond to a motivating question at the end of each essay. In this way, you will create a personal handbook for guiding your life while using your inner guidance to deal with challenges.

In this practical spiritual guide, Lisa Marie Rankin shows how to apply ancient goddess wisdom to modern-day scenarios like dating, sex, careers, divorce, conflict and more. She'll teach you how to reconnect with your goddess nature so you can do less, receive more, live authentically and love passionately. You'll learn about goddesses from across various traditions and discover that their wisdom is more relevant than ever. You can connect with Mary Magdalene to identify and rewrite beliefs that are limiting you. The Greek goddess Aphrodite will show you how to infuse your life and your relationships with passion. Durga, a Hindu warrior goddess, will inspire you to stand up for what you know to be right and speak your truth. Intwoven with these stories are spiritual concepts, modern thought leadership and practical examples that will help you tap into your inner goddess and create the life of your dreams. You'll learn that you have the power to birth new ideas, experience and invoke pleasure, rise above challenges and access your inner wisdom to get the most out of your one truly fantastic life. The goddess is not some esoteric deity that is out of reach or a spiritual sex bomb that you find on social media. You are the goddess in your current physical form, with your messy human experiences and hidden primal desires. When you learn to befriend all aspects of yourself, you can reclaim your crown and become the most radiant person you know. Lisa Marie Rankin will show you the way. Through meditation, journaling, prayer and self-care rituals, you can reveal your true goddess nature.
